

2021 GOLF FUNDRAISER

JUNE 2, 2021 AT RICH HARVEST FARMS, SUGAR GROVE, ILLINOIS

13TH ANNUAL GOLF FUNDRAISER

For over a decade, golfers have been raising funds for medical repurposing research at Cures Within Reach's annual fundraiser. In 2021, we return to [Rich Harvest Farms](#), an exclusive private course rarely accessible by non-members, named the 5th best new private course in the US by *Golf Digest* when it debuted in 1999.

While vaccine rollout for the COVID19 pandemic continues, a day on the golf course can be a wonderful way to start June.

Join as a single, a twosome or a foursome; no more than 40 golfers on the course!

FUNDING GAME-CHANGING CLINICAL TRIALS THAT MAKE REAL PATIENT IMPACT

Prior to June 2, golfers **donate or raise at least \$1,500 (\$6,000/foursome)** for Cures Within Reach. **This year, a portion of the proceeds will help to fund a pediatric clinical repurposing trial.** Past events have supported clinical trials in:

- **Infectious Disease:** COVID19, dengue, tuberculosis
- **Oncology:** Metastatic thyroid cancer, brain cancer, prostate cancer
- **Pediatric:** Autoimmune disease, oncology, rare liver disease, malnutrition
- **Neurological Disease:** Alzheimer's disease, autism

Included: 18 holes, lunch, post-golf food and beverages, and a tour of owner Jerry Rich's private Car Museum.

SUPPORTING OUR GOLFERS

Cures Within Reach supports our golfers' fundraising by providing individual donation web pages, print and social media materials to share, and support for corporate matching and company sponsorship.
